AN ITEM: One little boy from Carmel and one little girl from Carmel, well known to the long time residents (well, relatively long time) who have been in and out of town seem to be seeing quite a bit of the old town together--NAN HOLDEN and BILL BROWN, despite some other things or people you might have heard about.....MRS. NAT DEVERICH, wife of the famous Hollywood producer, is the HOUSEGUEST of the JIMMY DOUDS, in Hatton Fields.....The THEODORE GOULDS of Lutherville, Maryland, arrived Thursday to VISIT in Carmel Valley. He's the well known INVESTMENT COUNSELOR.....ED & BOBBIE COCHRANE back from several weeks SPORT shooting and COLOR photography at TULE LAKE. Wonderful time but both back with COLDS. .....MOTOR MAN and TV enthusiast JOE GARCIA hosted a cocktail party Friday night to see the fights on TV at their Pebble Beach home.....Dec. 1 is the DAY when someone is going to take home a beautiful DOLL from the Christmas party at Crespi Hall. Chairman of the Doll Committee who has been industriously displaying the Bride Doll is Mrs. BILLIE CLOUD of Hatton Fields.....

HENRY OVERIN of the Padres starred in the GAME OF THE YEAR for Carmel High Monday when they WON their traditional football game against the P.G. BREAKERS by a score of SIX to SIX. WIN? Sure they did.....DIZZ & TINY NEWMAN celebrated their SIXTH wedding anniversary last week. DIZZ now with ROBERT STANTON handling most of the latter's flying assignments--------BY THE WAY, 'tis said that BOB STANTON is thinking of MOVING his OFFICE to Carmel Valley. With an airport of its own, a big new road, a big enough business district sensibly planned, the CV probably has a future not unlike Garden City, Long Island..... LEON PANETTA, the BOY WONDER Pianist will moderate a program to be presented Sunday at the Serra Mission School from 2 to 5 in celebration of American Education Week. Educators and others interested in character building of children are invited.....LOOK for some NEWS of some RESTAURANTS changing hands very soon.....BILL & ADA O'MALLEY left yesterday for New York, by train, for conferences in connection with new books. "WES" WESLEY of the HERALD back from Europe-----AND SPEAKING of the HERALD, somebody over the hill is getting MIGHTY CARELESS in headline writing. Tuesday story headlined "LIZ, LADD, LUSH-WIN BOBBYSOX-LEGION AWARD." Story had to do with LIZZ TAYLOR, ALLAN LADD, VAUGHAN MONROE and DINAH SHORE named as favorite entertainers. MAYBE VAUGHAN MONROE would like to SUE for being called a LUSH or did they mean to call DINAH a THRUSH, which would have been more appropriate. And what about that recent HOOVER story headline, ED?.....Next meeting of the VOYAGERS at the CHURCH of the WAYFARER will be Wednesday Dec. 5, with supper at 6:30 PM..... Birthday CONGRATULATIONS to MRS. CHARLES DAWSON, Sunday, and MRS. CHARLES S. BIERY, Wednesday..... .....One of the UP-COMING young BUSINESSMEN around town is HOWARD LEVINSON. PEG MINER PLAYS SOLE FEMININE ROLE IN 'THE HASTY HEART'

As the Nurse in "The Hasty Heart" which will be presented by Actors Theatre Nov. 30 and Dec. 1, Peg Miner has the enviable position of being the only gal in the show! Other roles are all filled by army lads and local navy men and Carmel actors.

Her professional experience is as extensive as a Who's Who line-up and most recently she will be remembered for her really magnificent portrayal of the kindly and bewildered widow, Mrs. Gillis, in that chiller of the Barn Theatre put on: "The Man." Before that it was as Stella in "Apple of His Eye" which established her for Carmel's audiences, since her backstage work at the Wharf was unseen though definitely not unsung.

Peg Miner attended the same theatrical alma mater as "The Hasty Heart's" director, Charlie Thomas, which was The American Academy of Dramatic Arts. From there she went on to performances in The Royal Family, Easy Virtue, Time and The Conways, Pennywise, Another Language, Guest in the House, The Double Door, Mary of Scotland, Dangerous Corner, Male Animal, Enchanted April, One Sunday Afternoon.

She worked with amateur groups including Children's Theatre, Randall O'Neill Co., and The Troupers, sandwiching in a little radio work on a small station down in Florida and on KSBW in Salinas, and a stretch with The Barnstormers in Tamworth, N.H. Her statistics read that she is 5' 7½" tall, with brown eyes and brown hair, but statistics cannot possibly give the dynamic personality that is Peg's nor the warmth, color and infinite variety which are so much a part of her.

When the curtain goes up Nov. 30 in the Pacific Grove High School Auditorium, Peninsula theatre-goers will see still another facet of this actress' very considerable talent when she portrays the young and gentle nurse who learns to care for the dour Scots lad with but a few months to live.

BEACH CLUB TO HOLD TURKEY TENNIS TOURNEY

The Beach Club will hold its annual Turkey Tennis Tournament Saturday and Sunday, Nov. 17 and 18, at the Pebble Beach Tennis Courts, to be followed Sunday with a Turkey Luncheon at the Beach Club for all those who participate in the event.

Among those who have already indicated that they will take part are Mr. & Mrs. Harry Leonard, Mr. & Mrs. Richard Osborne, Capt. & Mrs. George Luker, USN, Dr. & Mrs. Arthur Spaulding, Mr. & Mrs. John B. Geisen, Mrs. Edison A. Holt, Mrs. Kent Parrot, Mrs. Clarissa L. Mitchell, Miss Joan Mitchell, Mrs. Hugh Dormody, Mrs. Howard Vincent O'Brien, Mrs. Ted Fielding, Mr. Tom Elston, Mr. John Stinson, Lt.Comdr. Bernie Sorem, and Mr. Hans Von Richter.

MRS. VERNICE JENSEN TAKES OVER RED CROSS POST

Taking over her duties as executive secretary of the Carmel Red Cross chapter to replace Miss Elizabeth Fogel, who is leaving soon for the East, is Mrs. Vernice Jensen, long associated with Red Cross work both in this country and overseas.

A graduate of the University of California, Mrs. Jensen for several years was engaged in hospital and club work for the Red Cross in England, France and Belgium. Prior to that time she was in the National Red Cross personnel office screening the interviewing of those who applied for overseas service.

Mrs. Jensen was field director for three and a half years at Oakland Veteran Administration Hospital and for a year was special Area representative on fund drive and chapter programs. Her record since 1943 in connection with Red Cross activities has been one of devotion and efficiency, and the executive board of the Carmel Red Cross are proud to announce her affiliation with the chapter.

Miss Fogel's resignation was accepted with regret by the entire group of those associated with her in Red Cross work for the past three years, during which activities and the usefulness of all branches of the local chapter have increased to an appreciable degree.

By ROSS WORSLEY

Three names that are magic and a composer, much neglected, combine to make a superlative disc for lovers of the Lied.

Urania Records Inc. present Magarete Klose, famed European contralto, the equally celebrated helden tenor, Helge Roswaenge, and a newcomer to records, Annemarie Simon, in a Hugo Wolf lieder recital, with handsome accompaniments by Michael Raucheisen and Lotte Lehmann's Paul Ulanowsky. With the more familiar songs have been programed some of the loveliest lieder from Wolf's pen. In all respects this item is to be highly recommended.

W.C.F.M. have released the Mozart E flat Major Horn concerto, Mason Jones, french horn; a wonderful performance of some of the best writing of Mozart. Filling out the flip side of this L.P. are the Mott: Excultate Jubilate K165, and Zaide: Ruhe sanft, Barbara Troell, soprano soloist. Here is a gem worthily engineered.

* * *

Urania continues to delight the connoiseur with their select library of great music. Handel's Ode for St. Cecilia's Day performed by two immensely gifted soloists, the Rudolf Lamy choir and the Symphony orchestra of Radio Berlin, Arthar Rother, conductor, Hermann Werderman, organist, Walter Drivenski, harpsichord. The soprano, Lare Hoffmann, is an exciting choice, the mordants and trills are performed impeccably and the voice is clear and warm with admirable intonation. The tenor, Ludwig, is a singer of fine taste and excellent timbre. A thrilling performance of an inspired work.

Webster Aitkin's phenomenal technique and intelligence have established him as one of the great pianists of our generation. That he is a Schubert specialist is fortunate for those who appreciate the magnificence of the sonatas, and for the E.M.S. Recording Company, Mr. Aitken has performed twelve sonatas and the Grand Duo in C., Op. 140, for four hands. These are truly collectors' items replete with spirituality and the myriad lovelinesses of Schubert's monumental writing.

"We wake up pepped-up since we got our electric bedding!"

"We have fresh air and comfort, too! It's *never* cold under our new electric bedding! And our sheets are *pre-heated* before we even step into bed! Electric blankets are such lightweight luxury, too—make sleeping extra restful!

"At the touch of a finger, we can set the warmth we want. And it stays that way all night—even if the temperature in the room changes from balmy to freezing! Controls for each half of the blanket put an end to cover wrestling.

"We get the sleep we need—refreshing, relaxed sleep with our new electric bedding. It's a first-rate investment in our health and comfort. And we think an electric blanket, sheet or comforter makes a fine gift for any occasion!"

Only a penny a night gives you electric blanket comfort ... for P. G. and E. rates are far below the U. S. average.

Low-Down on a high-powered Performer

Let us tell you this:

The Buick pictured here packs more power than you find in any other car of its size and room and price.

That's the power of Buick's newest high-compression valve-in-head eight—the F-263 Fireball Engine, that really gets miles from a gallon of gas.

Add to this the fact that it tips the scales at 3817 pounds curbside—and you begin to see why this big-powered beauty is such a nimble-footed number out on the road.

But that's only Chapter I of the performance story.

There's a big-car feel to the way this trim traveler covers the ground—hugs the curves—holds its course on the straightaway—smothers the bumps with its big soft coil springs on all four wheels.

There's big-car room inside—six-passenger room—headroom, hiproom, shoulderroom, kneeroom, front and back.

Come in, look it over, and we think you'll agree—it's big in everything but price.

And that's where it really shines. If you've shopped around you'll know what we mean when you read the price tags, and what they include in the way of standard equipment that shows up as "extras" on so many others. Such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation are all yours at no extra charge.

It's hard to believe but it's true. If you can afford a new car, you can afford this Buick at the prices we're quoting today.

Better come in and look this smart buy over.

Equipment, accessories, trim and models are subject to change without notice.

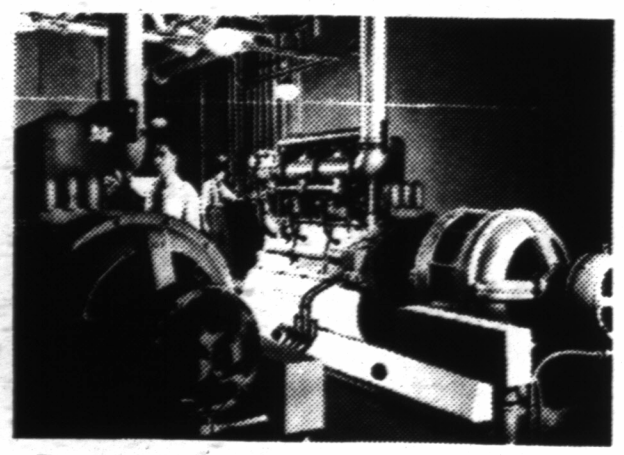
UNITING THE DEFENSE OF THE UNITED STATES

How we've geared the telephone system to meet today's emergency

1. **How fast** can we spread the word? Since the days of Paul Revere, the nation's strength in times of crisis has depended on swift, reliable communications. Today, the telephone is at work helping our military men organize their forces...at work saving minutes and hours and days in defense production plants... at work nearly everywhere uniting the strength of our millions of people.



2. **Emergency facilities** of our own are being added, too. Like this standby generator which can produce our own electricity in case of power line failure. Special plans have been made to rush "telephone task forces" of men and materials into strategic areas, if need be. In every way possible, we're making sure the calls keep going through...the calls which mean so much to our nation.

3. **Since Pearl Harbor,** we've put well over a billion dollars into telephone facilities in the Pacific West. We've made many, many technical improvements to speed and extend the service. The result: A telephone system far stronger than ever, doubled in size. We could do it because, over the years, we've had the financial strength to attract the investors' savings we must have to pay expansion costs. And with financial strength in the future, we can continue to build our ability to serve you and our nation.

CHINESE BASS BARITONE YI-KWEI SZE IN CONCERT HERE NOVEMBER 27

The Chinese Bass Baritone Yi-Kwei Sze will sing at Carmel's Sunset Auditorium Nov. 27 at 8:30 p.m. under the auspices of the Carmel Music Society, opening the 25th anniversary season of the Society. Included in his program will be works of Handel, Schubert, Brahms, Verdi, Rossini, Poulen, Rachmaninoff, and Liu Hsueh-An. He will be accompanied by Nancy Lee Sze at the piano.

Born in Fung-Hwa, China, he studied in the National Conservatory of Music making his debut as bass soloist in Haydn's "Seasons." Following this he was engaged by the Russian Opera Company in Shanghai for parts in Rigoletto, Tosca, Aida and other operas. He has made many concert appearances in China, Cuba and the United States. During the war he served in the Armed Forces and rose to the rank of Colonel.

Mr. Sze came to America in 1947 and has since studied with Alexander Kipnis. His debut at Carnegie Hall was an auspicious one and the critics and public alike recognized the international quality of his magnificently trained voice. "His program included works by Russian, French, Italian, English and American composers, all of which were sung like a native of each."

He met Nancy Sze at the Conservatory in Shanghai. They were separated by the war and met again at the Juilliard School of Music in New York City and were married. She is an accomplished musician and travels with him as wife and accompanist.

POLICE CALL

By PARKER KIMBALL

Woman called CPD to report lady in green coat carrying flashlight and trying several postoffice boxes. Thought police should check. Apparently complainant didn't realize this happens all time. Some people bring lunches and dinners to tide over during search.

- - - - -

Owner of women's shop in Carmel reported that three women came in to shoplift. Only description she could furnish was that none of trio wore hats.

- - - - -

Other case of inadequate identification was report of possible vagrant, a man with long hair seen entering Carmel. Like looking for needle in haystack.

- - - - -

Complainant reported delivery truck parked front of store, indignantly advised police he paid taxes to use street and that truck was preventing him from exercising this privilege. Taxes what they are, people are expecting post for money.

- - - - -

Woman complained to CPD because some man called two successive nights wanting to take her to dinner and dancing. How cold can a cold shoulder get?

- - - - -

Complainant called CPD that neighbor was playing radio so loud she couldn't carry on telephone conversation. Police checked on noisy radio, found cause. Radio was being used as weapon of retribution to even-up for complainant's garage light which flickered on and off causing static on radio. Before police left, light was turned off, radio was turned down, feud never reached the Hatfield-McCoy stage.

- - - - -

Man phoned in angrily that son had been stung by 7 yellowjackets. That this was not first time and he wanted it stopped. As far as police blotter shows, no arrests were made...

CHRISTIAN SCIENCE THANKSGIVING SERVICE IN CARMEL

Responding to the Proclamations of President Truman and of Governor Warren, First Church of Christ, Scientist, in Carmel, will hold a Thanksgiving Day service next Thursday morning at eleven o'clock.

The Lesson-Sermon for the service will have for its subject "Thanksgiving," with the Golden Text taken from the Ninety-second Psalm:

"It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O most High."

The First Church of Christ, Scientist, in Carmel, is located at Monte Verde

PRAYER FOR THANKSGIVING

Lord God, Sovereign of all human emotions, we beseech Thee to find deep in our hearts that same humble grat itude that inspired our Pilgrim forefathers to inaugurate a Day of Thanksgiving for the bounties and blessings of a new freedom for mankind made possible through Thy glorious compassion.

Grant us, O Lord of Hosts, the safe and triumphant return of our countrymen and their comrades now fighting to save human liberty from the brutal maw of pagan hordes. May the everlasting balm of Thy infinite mercy bring blessed surcease to the pain and torment of Thy children here or wherever they may be suffering.

Father, grant us courageous and understanding hearts that we may with our strength, our unity and our very blood help bring to pass through the Divinity of Thy Guidance a lasting peace among all the nations of this our mortal sphere. Amen.

Some Problems Presented by Television's Appeal to Child

By GARRY CLEVELAND MYERS. Ph.D.

Scattered inquiries among parents concerning television reveal their recognition in it of a great new and tremendously appealing medium for entertainment and education of their children.

Some parents, however, report that their children are irritable and harder to live with as a result of overstimulating TV programs, some of which lead to fatigued eyes and sleepless nights. Other parents complain that TV claims so much of the leisure time of boys and girls as to leave them little time for wholesome recreation, reading, and other activities.

Television Survey

According to a report in "Time," eighteen viewers "sat in relays in a Manhattan hotel watching, for an entire week, all the shows telecast on seven TV sets tuned to each of the New York channels. Out of the seven-day ordeal, the viewers got (1) eyestrain, (2) recurrent headaches, (3) a low opinion of commercial television." They found that "Children's programs got 12 per cent of TV's time, but many of the shows seemed to bear little relation to youngsters' tastes and needs."

Perhaps you read of the teacher who quit her job in Bergenfield, N.J., about a year ago because her pupils were "restless, excited and heaped up with energy," thanks to TV; that, moreover, they expected her to be an entertainer, not a teacher. Some other teachers say they find difficulty in interesting children in subjects which are less adventurous and exciting than TV programs.

Still some other teachers see the possibility of tying up children's strong interest in television with reading and other desirable activities. Also, a few parents report improved family relationship and better companionship as a result of TV in their homes.

As I reported earlier in this column, it was found from a study in the high school of Roselle, N.J., that the grades of children who watched TV regularly dropped 15 per cent. In another study made in Stamford, Conn., 15 per cent of the students said that TV interfered with their homework. In a third study showing an average drop in grades from a year and a half earlier, TV seemed actually to help with some subjects. The grades of students viewing TV for 14 hours a week or more showed the greatest drop in grades if they were "G" students of better.

Dr. Witty concludes: "The almost universal appeal of TV to children offers an unparalleled opportunity for influencing children in positive ways." The present indications are that this opportunity is being sold for a mess of pottage.

GOALS of All Saints' Episcopal Church forthcoming annual Every Member Canvass are discussed by vestryman William O. Walker *(left)*, Frank M. English *(center)* of Sausalito, and Rector Alfred B. Seccombe. As a spokesman of The Bishop's Men, a group of 2,500 laymen active in dioceses throughout the nation, English addressed the entire congregation here Sunday. WOMAN'S CLUB HOLDS POT LUCK LUNCHEON

Eleven tables of bridge and canasta participated in the annual pot luck luncheon at the Carmel Woman's Club this week. The bridge foursome composed of Mrs. Benjamin Johnson, Mrs. Charles DeVault, Miss Blanche O'Neil and Mrs. F. E. Vaughan had charge of arrangements for this delightful event.

The next meeting on Monday, Nov. 19, will be in charge of the Book Section and will consist of "A Literary Ramble in Virginia" by Marquita Brey, teacher of English literature at Carmel High School.

NEW TRANSPORT PROVISIONS FOR DEPENDENTS OF SERVICEMEN CITED

New amendments to the federal Missing Persons Act now make transportation at government expense available to families of Korean servicemen and in some cases to dependents of World War II servicemen who may not have been eligible earlier, according to Claude S. Estill, Veterans' Service Officer.

Government-paid transportation is provided by the new act for dependents and effects of servicemen officially reported dead, injured, missing for 30 days or more, interned in a neutral country, or captured by the enemy in Korean fighting.

Applications for travel or reimbursement should be made to the branch of service concerned. Full information and help in filing dependents' travel claims is available at 559 Pacific Street, Monterey.

LEAGUE OF WOMEN VOTERS MEETS MONDAY

Miss Pettis is particularly well qualified to speak on this subject, having worked with the Departments of Social Welfare in the States of Nebraska and Washington. She is a graduate of U.C.L.A. and received her Master's Degree in Social Service at the University of Chicago.

ANSWER TO THIS WEEK'S WHO IS IT?

See if you can tell this week's "Who Is It?" by first a bit of personal description, with the help of the photo on Page 7 to start you off. Then by the chronological biography we give you. If you deduce right by the time you're half way through, you are eligible as a member of the SPECTATOR WHOOZIT SOCIETY--no dues, no assessments, no meetings.

Mr. Whoozit is 5'11" tall, weight about 180 lbs., blue eyes and brown hair. His chest measurement varies with the number of insurance policies carried in his inner coat pocket. He is of rather athletic build and keeps in condition showing parcels of real estate. He has a southern accent as soft as the fuzz on a Georgia peach although he happens to come from South Carolina.

Mr. Whoozit was born in Florence, S.C., living there and in almost every part of the United States until moving to California in 1944... Stayed in California but a short time and then in 1945 was plucked up by the Navy and put aboard a light cruiser, the USS Cleveland, which saw action around Okinawa and the occupation of Japan... While drydocked in Boston for overhauling (the cruiser), Mr. Whoozit met a New Hampshire gal who trained her big brown eyes upon him with deadly intent... After settling slowly for almost two years, the U.S. Whoozit sank completely and married the young lady in 1948... Attended Salinas J.C. 1946-48, went on to UC for business administration, winning first real estate scholarship offered by California Real Estate Association... Finally settled in Carmel in present capacity as real estate salesman and insurance agent.

His hobbies are hunting and fishing and Little Theater work. He has been seen recently in First Theater productions "Lola Montez" and "Counselor at Law," and "Two Blind Mice" at Carmel Playhouse. In the Carmel Barn Theater production of "Deguillo" he was the swashbuckling Davey Crockett. Organizations of which he is a member are the Peninsula Jr. Chamber of Commerce of which he is a director; and Carmel Playhouse for which he is field secretary. He also is Sunday school teacher at All Saints' Church in Carmel.

By now you should know this Carmelite's identity. Surely we don't have to tell you it is JIM Mc NEILL.

CINDERELLA BALLET CHARMING SPECTACLE

Joanne Nix of the Carmel Ballet Academy has done it again! Her talented troup of tiny tots and teen-agers in the "Cinderella Ballet" last Saturday evening danced, pirouetted and mimed before a large and most enthusiastic audience.

The tribute received was merited for the youthful ballerinas were trained to amazing technical perfection. This well developed technique added to the natural grace, charm and vitality of youth accomplished a performance not only comparable with a professional ballet, but in certain respects even more captivating. Miss Nix is an outstanding maestra and producer.

The Cinderella classic needs no re-telling. Bonnie Wager as "Cindy," Robin Burnham and Jody Silverthorne as the uppity and unkind stepsisters, Pamela Gamble as the fairy godmother who brings the story to its proverbial happy climax--each gave an enviable performance, exhibiting choreographic genius which promises much for their future as well as affording great artistic pleasure now. The other 40 performers among the young dancers also did full credit to their training and gave evidence of long and concentrated hours of practice.

Not least of the attractions of this colorful ballet was the artistry of the costuming.

Ric Masten, who recently achieved his initial success with "This Is It," again proved his ability and originality with stage decor by creating the very appropriate sets.

The "Cinderella Ballet" will be presented again tomorrow evening (Nov. 17) in Sunset Auditorium. Those who missed last week's production will be well rewarded if they make the effort to be present at this repeat performance.

Modified Pyramid

Well-cut tweed coat.

By VERA WINSTON

THE pyramid coat is still with us, but in a modified form, and as such, it is much nicer. Heather mixture tweed from Britain is the fabric used for this well-bred coat. Undersized notches lend additional interest to the oversized collar that is drapable to suit the wearer. Double seaming accenusates the triangular silhouette of the coat. A little gilet of nutria is an extra dividend that should prove of use as well as being very charming.

Words of the Wise
